## **MXOTECH EXHIBITS AT WOMEN'S BUSINESS & BUYERS MART**

**Chicago, IL--(July 15, 2009)--**MXOtech, an innovative IT consulting firm focusing on application development, network administration and technology staffing, today announced that the firm will be an exhibitor at the 2009 Woman's Business & Buyers Mart at Chicago's Navy Pier.

The Mart is the trade show of the Women's Business Development Center Entrepreneurial Woman's Conference, to be held September 16 at Chicago's Navy Pier. MXOtech, along with other leading companies, will provide information on their services to attendees in the Exhibition Hall.

The WBDC Conference brings together women entrepreneurs throughout the Chicago area, with a program focused on helping women launch new businesses and build on existing businesses. This year marks the 23rd annual WBDC Conference.

"We are thrilled to be participating as an exhibitor at this year's Business & Buyers Mart," said MXOtech President Joanna Sobran. "As a WBE-certified firm, we hope to meet and work with other companies that are looking for the best 'out-of-box' ideas, sound technology advice, and 'real-world' pricing."

MXOtech provides targeted solutions for clients ranging from small to national in size, in industries that include healthcare, financial services, retail, professional and medical services, and manufacturing and distribution.
